HANDCUFFS

ZT60 Tactical Training Handcuffs
Chain Link - Nickel

With Metal Key Knobs

ZT68 Handcuff Helper (pair)
Black
(Cuffs not included)

The Handcuff Helper is an accessory that prevents small wrists from slipping through fully closed handcuffs.

Easy to install and impossible to remove while the cuff is closed on a wrist.

Provides the ultimate security against cuff slipping while reducing wrist injury from abrasion caused by contact with the handcuff locking arm.

Fits most standard chain link handcuffs.
